

Collecting Your Results

Thursday 15th August 2024

May June Series – A Level & Level 3

You can collect your results from the 'Main Hall' from 9.00am to 1.00pm and the Exams Office from 1pm to 4.30pm. After the results day you can collect them from the Exams Office during normal office hours.

Your results can be emailed your college email account (we are not able to send them to personal email accounts). Please notify the Exams Office via email to arrange this. You will need to make sure that you are able to login to your college account and that your password is up to date. College email accounts for leavers are closed in October so please ensure that you download any result documents before then.

Results can also be viewed on Student Voyager after 1pm. Alternatively, your results can be posted to you but you must provide a stamped, addressed envelope with the Exams Office before the end of the summer term.

Please do not telephone to ask for results. We are not able to give out personal information including exam results over the phone.

If you would like another person to collect your results, they must bring a letter of authority, or the completed Results Collection Request form, signed by you and identification for themselves. There is a document for this on the college website under the "Life at QE – Examinations" section. Results will not be released without written authority from you.
