WELCOME TO

Queen Elizabeth Sixth Form College

At QE we understand that our staff are our greatest asset. It is only by recruiting and supporting the very best individuals for each role that we can build and maintain the team needed to enable every student to fully achieve their potential.

In addition to offering teaching and support staff a modern, well equipped environment, the College is committed to ensuring that staff development remains a key strategic priority. Despite the rigours involved in teaching or supporting learning in a high achieving Sixth Form College, we enjoy high levels of staff motivation and morale.

Life at QE will never be dull and always offers both challenges and rewards for colleagues no matter what role they play. In choosing to apply for a job here, you can rest assured that you are choosing a well established and highly respected College that will value you and your contribution.

Inicio Academies

In April 2024, Queen Elizabeth Sixth Form College joined with Swift Academies as a 16-19 Academy, to form a new Multi Academy Trust, Inicio Academies. Serving young people aged from 2 to 19 years of age, the Trust is able to support high academic attainment, social mobility and future success for all of our students, current and future.

Queen Elizabeth Sixth Form College has retained all of its unique identity and characteristics, continuing to grow and develop its strong relationships with existing partners, while also belonging to a group of providers where collaboration enhances and strengthens us all.

For QE Staff, the Trust provides:

- Opportunities to share teaching and learning strategies and expertise across all phases
- Increased investment in facilities and resources
- A larger and more diverse peer support network including involvement in cross-trust groups
- Strengthened leadership and governance to support all colleagues
- Progression and career development opportunities across the Trust
- An employer that is better placed to adapt to external changes and take opportunities as they arise
- An employer with greater influence in the locality and beyond
- Opportunities to develop skills and expertise within the Trust
- Additional financial stability and sustainability

your employment journey

The College recognises that in order to provide the highest standards, staff need support; whether that's through our induction programme for new members of staff, sharing good practice with colleagues, training opportunities or support with career development.

The culture of the College means that teaching staff have the freedom and autonomy to develop their practice, bringing expertise and creativity to their teaching. At the same time, the structure of the College gives the security of knowing that managers, quality leads and senior staff are all available to support and help. The ethos of the support staff is just that – that they are here to support students and staff in any way they can. This engenders a positive team spirit across the College.

Development

At QE we believe that providing high-quality CPD is crucial to ensure the ongoing success of the college, enhancing the learning experience for students and fostering a dynamic and innovative educational environment.

The key purpose of staff development is to facilitate continuous personal and professional development, enabling staff to achieve their full potential and contribute to the organisational strategic aims and objectives.

Continuing professional development will take many forms at QE ranging from high-quality internal staff development and action research opportunities to externally provided courses and opportunities to gain additional qualifications (NPQs etc) .

Equality, Diversity and Inclusion

We recognise and value diversity and inclusion. As we engage with a diverse student population, we want to ensure we reflect that in our staff population too. For us diversity is about building teams full of people who want to learn and be inspired by each other, by different experiences and backgrounds. It is important to us that both staff and students achieve their full potential. Diversity is important, but inclusion is equally if not more important. It's not just about having representation, but providing the staff we recruit with opportunities and valuing everyone's contributions and perspectives.

Pensions

Trust staff are entitled to join either the Teachers' Pension or Local Government Pension Schemes. Most staff will be auto-enrolled into either of the schemes either on commencement or shortly afterwards. Both schemes are defined benefit schemes and the College pays a substantial contribution, in addition to the contribution you will make each month.

Holidays

For support staff working with us at QE, there are generous holiday allowances. For all-year staff, holiday allowances begin at 26 days plus 2 local days and bank holidays, pro rata for part time. This increases to 31 days plus the 2 local days and bank holidays after 5-years' service. Holidays are to be taken during the College holiday periods. For support staff working on term time only arrangements, holiday pay is included in the pay formula for term time only contracts, representing paid leave of 31 days plus bank holidays pro rata, taken during the College holiday periods, you also receive the benefit of the two local days.

Wellbeing

The wellbeing of our staff is important to us. As well as having many staff that opt for part time or term time only working, the College promotes healthy living and good work-life balance initiatives. We have a variety of events throughout the year, such as sporting activities, fundraising and social events, including our Wellbeing Week, which gives a focused time for staff to try out a range of events aimed at improving both physical and mental health. We also offer a cycle to work scheme.

Health Scheme

A health cash plan is offered to all staff free of charge, providing help with the cost of dental and optical care, amongst a range of other benefits. Staff can also choose to extend the cover at their own cost, or even include immediate family members.

In addition to claiming back costs, our BHSF plan also offers an employee helpline, telephone appointments with a GP and gym discounts with a selection of gyms.
